THE
CERAMIC TILES BOOK

“A design isn’t finished until someone is using it.”
Brenda Laurel

THE **BOOK** CONCEPT

The ceramic tiles book was conceived as a thought, a notion of design, an abstract idea, made from particular instances in time. To embody these ideas, this book collects mental images of something seen, known or imagined into its pure abstraction state to create impressions that result in the stimulation of the senses.

O livro de cerâmica foi concebido como um pensamento, uma noção de design, uma ideia abstrata, gerada a partir de instâncias particulares no tempo. Para representar estas ideias, este livro recolhe imagens de algo visto, conhecido, imaginado no seu estado de abstração pura, de modo a criar impressões que resultem na estimulação dos sentidos.

RAINFOREST
INS·PIRATIONS

Inspired by the biodiversity of the Rainforest this collection translates the nature in its pure state: untouched and yet to be discovered.
It was possible to reproduce every detail of wood using the latest digital technology, from lighter to darker tones with the advantage of a long-lasting and easy-to-maintain product.
We couldn't add the pure scent of wood... That would be like living in paradise. Maybe next time.

Inspirada na biodiversidade da floresta tropical, esta coleção traduz a natureza no seu estado mais puro, intocada e ainda por ser descoberta.
Com recurso à mais recente tecnologia digital, foi possível replicar todos os detalhes da madeira, dos tons mais claros aos mais escuros, com a vantagem de um produto duradouro e de fácil manutenção.
Falta-nos ainda adicionar o puro aroma da madeira... Seria como viver no paraíso. Talvez numa próxima vez.

PARQUET
INS·PIRATIONS

We step back in time to be inspired by the vintage look of the wooden parquet that we used to see in our grandmothers' houses. To the best vintage look, we added the best porcelain stoneware with the finest touch and soft colors.
The result is the combination of sobriety with a piece of nostalgy, that creates classic and timeless spaces.

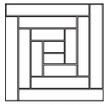

Recuamos no tempo para nos inspirarmos no aspecto vintage do parquet de madeira que costumávamos ver nas casas das nossas avós. Ao melhor visual vintage, adicionamos o melhor grés porcelânico, com um toque refinado e cores suaves.
O resultado final é uma combinação de sobriedade com um pedaço de nostalgia, que concebe espaços clássicos e intemporais.

INWOOD

INS·PIRATIONS

Inwood stands out as a noble piece of art from nature, with a symphony of veins, knots and a wavy soft touch. From time to time nature has these peculiar moments, like some people do to create a master piece.

Inwood destaca-se como uma nobre obra de arte da natureza, uma sinfonia de veios e nós e um toque suave ondulado. A natureza tem esses momentos peculiares de tempos em tempos, tal como algumas pessoas ter conseguem para poder criar uma obra-prima.

SHOTCRETE
INS·PIRATIONS

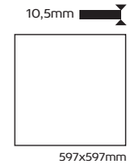

By 6500 BC Nabataea traders in the regions of Syria and Jordan created concrete floors, housing structures, and underground cisterns. Then Egypt and China by 3000 BC and Rome in 600 BC. Since then, there was a great leap in technology and design we added our know-how in porcelain stoneware to bring to you Shotcrete, a collection with 3 elegant neutral colors and an ancient concrete look.

Antigos comerciantes de Nabataea no ano 6500 A.C. nas regiões da Síria e Jordânia criaram pisos de concreto, estruturas habitacionais e cisternas subterrâneas, no Egito e na China no ano 3000 A.C. e em Roma por volta do ano 600 A.C. . Desde então, houve um grande salto em tecnologia e design, acrescentamos o nosso know-how em grés porcelânico e apresentamos-lhe Shotcrete, uma coleção com 3 elegantes cores neutras e com um aspeto de betão antigo.

HIDRÁULICO STORYT

INS·PIRATIONS

What we call hydraulic ceramic tiles were once called encaustic tiles in the Victorian era and originally called inlaid tiles during the medieval period. By that time, the surface was not glazed but finished with different colors of clay. We reinvented this current, inspired in those times with the latest modern technology to extend this old trend in a new one, reviving the old days in new wonderful environments.

O que chamamos de cerâmica hidráulica já foi chamado de ladrilhos de cerâmica na era vitoriana e originalmente chamado de cerâmica incrustada durante o período medieval, até então a superfície não era esmaltada, mas acabada com diferentes cores de argilas. Reinventamos esta corrente com a mais recente tecnologia moderna, inspirada naqueles tempos, e estendemos esta velha tendência numa nova, revivendo os velhos tempos em novos maravilhosos espaços.

CIMAN

INS·PIRATIONS

Ciman Collection is a porcelain tile with a cement look, presented in four neutral colors and one format, developed to combine perfectly with any hydraulic cement or alone bringing out a superb effect. It's a beautiful piece of old cement tile, that looks like a hand mixture of the same color clays combined randomly.

A coleção Ciman é em grés porcelânico com o efeito do cimento. Apresentado em quatro cores neutras e num único formato, foi feito para combinar perfeitamente com qualquer cimento hidráulico, mas é soberbo se usado a solo. É uma excelente série de cimento antigo, que parece uma mistura manual das mesmas argilas integradas aleatoriamente.

LUNE

INS·PIRATIONS

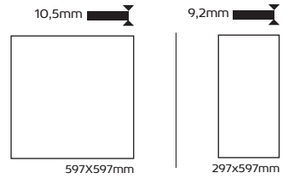

The word Lune was anciently written “Lone”, as a unique element, a highly shaded porcelain stoneware with anti-slip features in a five-color palette. Lune is a complete product, of discreet appearance but at the same time remarkable for its ability to transform the environments in a dynamic and modern way. Don’t be reluctant to use it on the floor and wall in the same space, therefore we called it Lune (“Lone”) because it’s perfect for that.

A palavra Lune era antigamente escrita “Lone”, como uma coisa única, um grés porcelânico bastante destonificado com características antiderrapantes numa paleta de cinco cores. Lune é um produto completo, de aparência discreta, mas ao mesmo tempo notável pela sua capacidade de transformar os ambientes de uma maneira dinâmica e moderna. Não hesite em usá-lo no chão e paredes no mesmo espaço, é por isso lhe que chamamos o “Lune” (“Lone”), porque é perfeito para isso.

PIACENZA
INS·PIRATIONS

Piacenza is a stunning porcelain stoneware collection, carefully engineered for outdoors, due to its outstanding technical qualities. We had to go back in time to understand the etymology of this long-standing word and its origin that comes from the Latin verb placere, “to please”.

Piacenza é um grés porcelânico impressionante. Cuidadosamente projetado para o exterior pelas suas excelentes qualidades técnicas, fez-nos recuar no tempo para entender a etimologia da palavra, que o é de longa data e tem origem no verbo latino “placere”, agradar.

ARDÓSIA

INS·PIRATIONS

Ardósia is the original translation of slate stone: fine-grained, foliated, homogeneous metamorphic rock with a rustic look, presented here in two neutral colors, plain white and volcanic black. In the past, the slate stones were used in house roofing because of its non-water absorption characteristics, in the present days, it's a wonderful choice for the floors due to its technical features and for the walls because of its natural stone touch.

Ardósia é a tradução original da pedra de ardósia: metamórficas, homogénea, fina, foliada e granulada com um aspeto rústico, disponível aqui em duas cores neutras, branco liso e preto vulcânico. No passado, as pedras de ardósia foram utilizadas em coberturas de casas pelas suas características de não absorção de água. Nos dias de hoje, é uma escolha maravilhosa para pavimento, pelos seus atributos técnicos e para revestimento, pelo seu toque natural de pedra.

VILLAS

INS·PIRATIONS

Villas was one of our creations inspired in the old trading houses such as grocery stores, barbershops and even the old cafeterias, characterized by the old worn floors because of constant washing. Its classic vintage look makes us go back in time and live those happy childhood days. In addition to the original colours, we added three more colors in an extended version, increasing the choice for the good old days.

Villas foi uma das nossas criações inspiradas nas velhas casas de comércio, como as mercearias, barbearias e mesmo as antigas cafetarias, caracterizadas pelo chão gasto pelas consecutivas lavagens. O seu aspecto clássico "vintage" faz-nos recuar no tempo e viver aqueles dias felizes de infância. Adicionamos às duas cores originais mais cores, numa versão "extended" ampliando a escolha pelos bons velhos tempos.

ELEGANCE
INS·PIRATIONS

Elegance is something that passes through a process until it becomes refined. Elegance is a perfect floor and wall symbiosis, with a clean, pure stone look and a balanced color pallet to blend with life.
Presented here with two light colors and two distinct sizes, Elegance is perfect as a whole set.
Some elements can't stay apart.

Por definição, elegância é algo que passa por um processo, para se tornar refinado. Elegance é a simbiose perfeita entre revestimento e pavimento, é uma pedra limpa, pura, e com cores perfeitamente equilibradas para combinar com a vida.
Em dois tons claros e duas dimensões distintas, Elegance é perfeito como um conjunto completo.
Alguns elementos não podem estar separados.

MIXTEC

INS·PIRATIONS

This Collection is a re-interpretation of an ethnic way of life from the ancient Pre-Columbian people, the Mixtec. These people were one of the major civilizations of Mesoamerica. We translated their legacy in these fascinating washed effect tiles and exquisite decors reminding their constructions as if their footprint was about.

Esta coleção é uma reinterpretação de um modo de vida étnico do antigo povo pré-colombiano, os Mixtec. Este povo era uma das principais civilizações da Mesoamérica. Traduzimos o seu legado nesta coleção fascinante, de efeito lavado e decorações únicas, inspiradas nas suas construções como se de uma impressão digital se tratasse.

COMPACT
INS·PIRATIONS

Compact is a three-color collection characterized by a kind of graphic nebula reminiscent of burnt and aged cement. Of urban inspiration, this is a coordinated collection with floor and wall solutions, dressed up of sheer simplicity with semi-erased effects of a long-gone signage.

Compact é uma coleção de três cores caracterizada por uma espécie de nébula gráfica, a lembrar o cimento queimado e envelhecido. De inspiração urbana, esta é uma coleção coordenada com solução de pavimento e revestimento decorados de pura simplicidade e com efeitos semiapagados de uma sinalética já há muito inexistente.

CLASSIC
INS·PIRATIONS

Inspiration leads us to blend elements for amazing results. Sometimes, only sometimes we get there, the spot we were looking for.
In this collection, we blended a soft, exotic marble with a classic travertine, adding a special piece with a matt/ shiny contrast and we obtained the Classic collection. Charming and of soft tones, Classic is perfect wherever you live.

A inspiração leva-nos por vezes a misturar elementos para obter resultados surpreendentes. Às vezes, apenas às vezes conseguimos o que procurávamos.
Nesta coleção, fundimos um mármore exótico de tons suaves com um travertino clássico, adicionamos uma peça especial com contraste de mate/ brilho e criamos a coleção Classic. Charmosa, de tons suaves, Classic é perfeita onde quer que viva.

DOMUS

INS·PIRATIONS

Inspired by the historical path of the word Domus, from the Roman Empire to modern English, Domus has always been referred to something related to housing, home or something domestic. This collection was created to return to this original concept, to transform any space and make you feel at home. We created a classic, slightly aged-looking wall tile, traditional as old stone, and we finished the creative process with delicate random sparkles to give each room a unique touch of light.

Inspirados no percurso histórico da palavra Domus, desde o Império Romano ao inglês moderno, Domus sempre remeteu para algo relacionado com habitação, casa ou algo doméstico. Esta coleção foi criada com o intuito de devolver este conceito original e transformar cada espaço para que nos sentíssemos em casa. Criamos um revestimento clássico de aspeto ligeiramente envelhecido, tradicional como a antiga pedra e finalizamos o processo criativo com delicados brilhos, aleatórios, para dar um toque único de luz a cada espaço.

DIAMOND

INS·PIRATIONS

Diamond is a wall tile with a three-dimensional effect and a soft touch, produced in two classic colors: black and white. Due to its carefully developed diamond-shaped reliefs, different reflections and light intensities are formed, regardless of whether it is day or night. Its biggest secret is the importance of the reflection, as it is never the same or constant, spaces are renewed every minute.

Diamond é um revestimento tridimensional, de toque suave, produzido em duas cores clássicas, o preto e o branco. Devido ao seu relevo cuidadosamente desenvolvido em forma de diamante, produz diferentes reflexos e intensidades de luz, independentemente de ser dia ou noite. O seu maior segredo é a reflexão produzido, nunca é a mesmo nem constante, os espaços renovam-se a cada minuto.

PRISMA

INS·PIRATIONS

Prisma is one of those collections designed with passion, a little nostalgia and a touch of magic. It´s a vintage-inspired, bas-relief wall tile with ten colors carefully selected. The bas-relief tiles have wonderful shining details only visible at certain angles, we like to call it the magical angle that turns what is beautiful into something fantastic.

Prisma é uma daquelas coleções desenhadas com paixão, um pouco de nostalgia e um toque de magia. É um revestimento de inspiração vintage, em baixo relevo e com uma paleta de dez cores cuidadosamente escolhida. As peças de baixo relevo têm deliciosos detalhes brilhantes apenas visíveis em determinados ângulos, nós chamamos-lhe o ângulo mágico - que transforma o que é belo em algo absolutamente fantástico.

FUSION

INS·PIRATIONS

Fusion is a delicate process of joining two or more distinct things together to form a single entity. That's exactly what we did with this collection, we created a micro-relief inspired by the mesh of metal wire, fused with the best white body cladding and added strategically the right amount of shine. When you combine elements in the right proportions, you get unique products. In this case, Fusion.

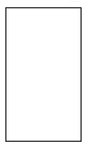

Fusão é um processo delicado em que se combinam duas ou mais entidades distintas formando uma nova. Foi exactamente isso que fizemos com esta série, criamos um micro-relevo inspirado na trama das redes metálicas, fundimos com o melhor revestimento em pasta branca e adicionamos estrategicamente a quantidade certa de brilho. Quando se combinam elementos nas proporções certas, obtêm-se produtos únicos. Neste caso, o Fusion.

KAMEKO & AKIRA

INS·PIRATIONS

Kameko & Akira is ethnic-inspired, a striped reinterpretation of fabric with graphic effects as if created in a manual loom. The contemporary gloss enhances a stylish and modern touch and its color palette renders a dynamic and bright air to the spaces it shares.

Kameko & Akira é uma reinterpretação de tecido, listado, de leve inspiração étnica e com efeitos gráficos como se num tear manual tivesse sido criado. O brilho contemporâneo dá-lhe um toque elegante e moderno e a sua paleta de cores um ar dinâmico e vivo aos espaços que partilha.

PLATINIUM

INS·PIRATIONS

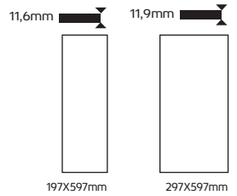

Platinium is an uncomplicated way of being, a collection of two formats where the variation between matt and brightness grants an almost translucent look. Presented only in white color, it can be combined with any material, whether wood for warmer environments or cement for sophisticated places. Inspired in those morning fogs, it's a "must-have" in any home.

Platinium é uma forma de estar descomplicada, uma série de dois formatos onde a variação entre o mate e o brilho lhe confere um aspecto quase translúcido. Apresentado apenas na cor branca, pode ser conjugada com qualquer material, seja ele madeira para ambientes mais quentes ou cimento para ambientes mais sofisticados. Inspirado naquelas manhãs de nevoeiro, é essencial em qualquer residência.

RETRO

INS·PIRATIONS

Retro is a dual personality collection due to its colors, while on the one hand, it is fun and carefree, on the other, it has a classic and sober preference. However, both trends have in common the carefully chosen graphic details of a worn look and soft touch followed by distinctive decors that gives a personal touch.

Retro é uma coleção de dupla personalidade devido às suas cores. Se por um lado é divertida e despreocupada, por outro tem uma inclinação clássica e sóbria. No entanto, ambas as tendências têm em comum os detalhes gráficos cuidadosamente escolhidos, de aspecto gasto e toque suave, acompanhados por distintas decorações que permitem dar um toque pessoal.

SUGAR

INS·PIRATIONS

Sugar is pure simplicity, in a sweet single color and one format, this collection has a soft touch and a wavy surface. The challenge to create something simple, beautiful and lasting over time is by far the most difficult, as the balance must be perfect and the final work enduring.

Sugar é a pura simplicidade, uma doce série em mono-cor, com apenas um formato, suave ao toque e levemente ondulado. O desafio para se criar algo simples, belo e que perdure no tempo, é de longe o mais difícil, pois o equilíbrio tem de ser perfeito e o trabalho final duradouro.

LISBOA

INS·PIRATIONS

Cheerful, young and irreverent, in honour of two of the most well-known neighbourhoods of our Lisbon: Alfama and Bairro Alto. We were inspired by the diverse and peculiar architecture of these two neighbourhoods. We created a smooth cladding like Alfama's multi-colored painted houses and a softly textured cladding reminiscent of the exclusive tilework from the old times of Bairro Alto. In this collection just the tram is missing to be perfect ...

Alegre, jovem e irreverente, em honra a dois dos bairros mais conhecidos da nossa Lisboa: Alfama e Bairro Alto. Fomos inspirados pela arquitetura diversa e peculiar destes dois bairros. Criamos um revestimento liso como as casas multicores pintadas de Alfama e um revestimento suavemente texturado a recordar a fina azulejaria dos tempos antigos do Bairro Alto. Para ser perfeito nesta coleção, apenas fica a faltar o eléctrico...

PARIS

INS·PIRATIONS

Influenced by the street artists, the artwork and the lights of Paris, we created a joyful collection in color and detail. From the night lights and the romance, we extract the Marne, with details of slight brightness and anonymous reflections from people who do not make themselves known but love with passion. From the artwork created on the streets, we bring to you Loire, a flow of continuous imagination and different artistic streams. One does not live without the other, but each one, in its own space, in its own time.

Influenciados pelos artistas de rua, as obras de arte e as luzes da cidade de Paris, criamos uma coleção radiante em cor e detalhe. Das luzes da noite e do romance extraímos o Marne, com detalhes de leve brilho e reflexos anónimos de gente que não se dá a conhecer, mas ama com paixão. Das obras de arte criadas na rua fizemos nascer o Loire, um fluxo de imaginação contínuo e de diferentes correntes artísticas. Um não vive sem o outro, mas cada um no seu espaço, no seu tempo.

TOLTECA

INS·PIRATIONS

Tolteca is a classic-influence wall tile, enhanced with fluid horizontal motions, complemented with strong vintage-influenced graphic decors. With a palette of three sober colors, Tolteca collection can create completely amazing and discreet environments, for this to happen, we rewrote a new DNA in the creation of this product and the result was superb.

Tolteca é um revestimento de influência clássica, enriquecido com movimentos horizontais fluídos, complementados com decores gráficos de forte influência vintage. Com uma paleta sóbria de 3 cores, a coleção Tolteca cria ambientes completamente surpreendentes e discretos. Para isso acontecer, reescrevemos um novo ADN na criação deste produto e o resultado foi soberbo.

JUICY

INS·PIRATIONS

Creating the Juicy collection was like taking a field trip or spending the day at an amusement park, it's a carefree, cheerful collection that turns every environment into a playground. We stay surrendered to color, graphic motifs, we mix colors, we laugh, in the middle we cry and in this mix of emotions we create one of the most beautiful collections of joy and well-being.

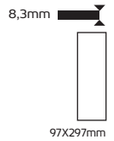

Criar a coleção Juicy foi como dar um passeio no campo ou passar o dia num parque de diversões, é uma coleção despreocupada, alegre, que transforma cada ambiente num recreio. Ficamos rendidos à cor, aos motivos gráficos, nós misturamos as cores, sorrimos, choramos pelo meio e neste misto de emoções criamos uma das mais belas coleções de alegria e bem-estar.

ETNIK

INS·PIRATIONS

We wanted to create a tribute to the groups of people who identify with each other, but we went even further, we created something that linked these groups of people, so we designed a global collection. Etnik is the result of diversity, each piece is unique for its motifs and shades, however they all blend perfectly.

Quisemos criar uma homenagem aos grupos de pessoas que se identificam entre si, mas fomos ainda mais longe, criamos algo que ligasse esses grupos de pessoas, para isso desenhamos uma coleção global. Etnik é o resultado da diversidade, cada peça é única pelos seus motivos e tons, no entanto todas elas se ligam na perfeição.

SHADES

INS·PIRATIONS

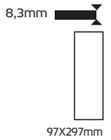

We needed a product that visually developed unique shadows to bring to you the Shades collection. So, we had to understand the genesis of shadow: the dark area or shape produced by a body coming between rays of light and a surface. After intense tests of light incidence, we designed several refined reliefs, with a soft touch and in the end, we got what we like to call an interactive wall tile, that lives with the daylight and rests at night.

Para criar a coleção Shades precisávamos de um produto que desenvolvesse visualmente sombras singulares. Assim, tivemos que compreender a génese da sombra: a claridade atenuada pela interposição de um corpo entre ela e a fonte de luz. Depois de intensos testes de incidência de luz, desenhamos vários relevos delicados e suaves ao toque e, no final, obtivemos o que gostamos de chamar um revestimento interativo, pois move-se consoante a luz do dia e descansa à noite.

CLEANING AND MAINTENANCE - FLOOR TILES
NETTOYAGE ET ENTRETIEN - REVÊTEMENT DES SOLS
LIMPEZA E MANUTENÇÃO - PAVIMENTOS

AFTER LAYING THE TILES AND GROUTING IT IS OF OUTMOST IMPORTANCE TO PERFORM THE FINAL CLEANING PROCEDURES IN ORDER TO ELIMINATE ANY REMAINING RESIDUES (CEMENT, GROUT , GLUE, PAINT) AND ALSO ANY OTHER POSSIBLE SUPERFICIAL RESIDUES. IT IS RECOMMENDED THAT, IMMEDIATELY AFTER THE GROUT DRY; THE TILE FIXER SHOULD WIPE THE EXCESS WITH A WET CLOTH (ALWAYS FOLLOWING THE MANUFACTURER'S INSTRUCTIONS).
MOST OF THE NOTICED PROBLEMS, ONCE THE LAYING WORKS ARE COMPLETE, ARE DUE TO INEFFICIENT / NON EXISTING CLEANING PROCEDURES - FOR THIS TYPE CLEANING PROCEDURES WE RECOMMEND AN ACID BASED DETERGENT; ON THE DAILY CLEANING PROCEDURES WE RECOMMENDED THE USE OF A NEUTRAL DETERGENT. FOR SPECIFIC CLEANING, KINDLY CHECK THE CHART:

APRÈS POSE ET JOINTEMENT DES CARREAUX, IL EST EXTRÊMEMENT IMPORTANT D'EFFECTUER LES OPÉRATIONS DE NETTOYAGE DE FIN DE CHANTIER AFIN D'ÉLIMINER TOUS RÉSIDUS (CIMENT, JOINT, COLLES ET PEINTURES), MÊME SUPERFICIELS, DÉ LA MISE EN ŒUVRE. IL EST CONSEILLÉ QUE, IMMÉDIATEMENT APRÈS LE SÉCHAGE DU JOINT, QUE LE SURPLUS DES PRODUITS SOIENT RETIRÉS À L´AIDE D´UN TORCHON HUMIDE (EN SUIVANT TOUJOURS LES INDICATIONS DU FABRICANT).
LA PLUPART DES PROBLÈMES QUI SURGISSENT APRÈS LA FIN DU CHANTIER SONT DU À UN MAUVAIS VOIR INEXISTANT NETTOYAGE APRÈS APPLICATION - POUR CE NETTOYAGE NOUS RECOMMANDONS UN DÉSINCRUSTANT À BASE D'ACIDE; POUR LE NETTOYAGE QUOTIDIEN DU MATÉRIEL NOUS RECOMMANDONS L'UTILISATION DE NETTOYANT NEUTRE ET POUR LES TACHES PLUS SPÉCIFIQUE VOIR TABLEAU CI-DESSOUS:

APÓS A APLICAÇÃO DOS MOSAICOS E RESPECTIVA JUNTA É DE EXTREMA IMPORTÂNCIA EFECTUAR AS OPERAÇÕES DE LIMPEZA DE OBRA, DE FORMA A ELIMINAR OS RESÍDUOS DE APLICAÇÃO (CIMENTOS, COLAS, JUNTAS, TINTAS) BEM COMO POSSÍVEIS RESÍDUOS SUPERFICIAIS DO MATERIAL. RECOMENDA-SE QUE, IMEDIATAMENTE APÓS A JUNTA SECAR, SE LIMPE OS EXCESSOS DESTES PRODUTOS COM UM PANO HUMEDECIDO (SEGUINDO SEMPRE AS INDICAÇÕES DO FABRICANTE).
A MAIORIA DOS PROBLEMAS MANIFESTADOS APÓS A OBRA DEVE-SE A UMA MÁ E POR VEZES INEXISTENTE LIMPEZA APÓS A APLICAÇÃO - PARA ESTE TIPO DE LIMPEZA RECOMENDAMOS UM DESINCRUSTANTE DE BASE ÁCIDA; NA LIMPEZA QUOTIDIANA DO MATERIAL RECOMENDAMOS A UTILIZAÇÃO DE DETERGENTE NEUTRO E NA LIMPEZA DE MANCHAS ESPECÍFICAS, CONSULTAR A TABELA:

MECHANICAL HOOKING SYSTEM OR MIX RESULTING OF A DOUBLE STRUCTURE THAT HOOKS THE TILES TROUGH COMPRESSION (PRESSURE CONTROLLED ON THE HOOKING AREA) OVER THE DRILLED AREA; AVOIDS THE RISK OF BREAKING ON THE HOOKING AREA ALLOWING A HIGHER SAFETY.

SYSTÈME DE FIXATION MÉCANIQUE OU MIXTE RÉSULTANT DE L'UTILISATION D'UNE STRUCTURE DOUBLE QUI FIXE LES PIÈCES DE GRÉS À TRAVERS D'UNE ACTION DE COMPRESSION (PRESSION CONTRÔLER DANS LA ZONE DE FIXATION) EXERCÉ SUR LA ZONE PERFORÉE; ÉVITE LE RISQUE DE RUPTURE DANS LES ZONES DE FIXATION PERMETTANT UNE MEILLEURE SÉCURITÉ DE LA FAÇADE.

SISTEMA DE FIXAÇÃO MECÂNICA OU MISTA RESULTANTE DA UTILIZAÇÃO DE UMA ESTRUTURA DUPLA QUE FIXA AS PEÇAS DE GRÉS ATRAVÉS DE UMA ACÇÃO DE COMPRESSÃO (PRESSÃO CONTROLADA NA ZONA DE FIXAÇÃO) EXERCIDA SOBRE A ZONA PERFURADA; EVITA O RISCO DE RUPTURA NAS ZONAS DE FIXAÇÃO PERMITINDO UMA MAIOR SEGURANÇA DA FACHADA.

SEMI-INVISIBLE HOOKING
FIXATION SEMI-OCCULTE
FIXAÇÃO SEMI-OCULTA

HOOKING SYSTEM RESULTING OF THE USE OF BRACKETS OVER THE CORNERS OF TILES, ALLOWING THE HOOKING TO BECOME QUICK AND EASY TO INSTALL, WITHOUT THE NEED TO USE MECHANICAL RESOURCES.

SYSTÈME DE FIXATION RÉSULTANT DE L'UTILISATION DE CROCHETS SUR LES BORDS DES PIÈCES DE GRÉS, PERMETTANT SA RÉTENTION ET LEUR MAINTIENT; RAPIDE ET FACILE À INSTALLER, SANS NÉCESSITÉ DE RECOURIR À DES PROCESSUS MÉCANIQUES.

SISTEMA DE FIXAÇÃO RESULTANTE DA UTILIZAÇÃO DE GRAMPOS SOBRE OS CANTOS DAS PEÇAS DE GRÉS, PERMITINDO A SUA RETENÇÃO E SUSTENTAÇÃO; RÁPIDO E FÁCIL DE INSTALAR, SEM NECESSIDADE DE RECORRER A PROCESSOS MECÂNICOS.

WHAT'S AN EPD?

THE OVERALL GOAL OF AN EPD IS TO VALIDATE THE ENVIRONMENTAL PERFORMANCE OF A PRODUCT OF SERVICE, BASED UPON LIFE CYCLE ASSESSMENT (LCA) STUDIES.

AN IMPORTANT ASPECT OF THIS COMMUNICATION TOOL IS THE POSSIBILITY OF BECOMING A SOLID COMPARISON PLATFORM OF PRODUCTS AND SERVICES THROUGH THE DEMONSTRATED ENVIRONMENTAL PERFORMANCE.

EPDS ARE CREATED IN ACCORDANCE TO EUROPEAN STANDARDS THAT REFLECT THE INCREASING MARKET DEMANDS. AS FAR AS THE MARKET OF CONSTRUCTION PRODUCTS ARE CONCERNED, AND ACCORDING TO THE REGULATION (EU) NO 305/2011 OF THE EUROPEAN PARLIAMENT, WHEN ASSESSING THE PERFORMANCE OF A CONSTRUCTION PRODUCT, ACCOUNT SHOULD ALSO BE TAKEN OF THE HEALTH AND SAFETY ASPECTS RELATED TO ITS USE DURING ITS ENTIRE LIFE CYCLE. THE SAME REGULATION ALSO READS THAT FOR THE ASSESSMENT OF THE SUSTAINABLE USE OF RESOURCES AND OF THE IMPACT OF CONSTRUCTION WORKS ON THE ENVIRONMENT ENVIRONMENTAL PRODUCTS DECLARATIONS SHOULD BE USED. THESE ARE CRUCIAL CONSIDERATIONS THAT DETERMINE THE IMPORTANCE OF EPDS IN THE INTERNATIONALISATION OF ORGANISATIONS.

O QUE É UMA DAP?

O PRINCIPAL PROPÓSITO DE UMA DAP É DEMONSTRAR O DESEMPENHO AMBIENTAL DE UM PRODUTO OU SERVIÇO, BASEANDO-SE EM ESTUDOS DE AVALIAÇÃO DE CICLO DE VIDA (ACV).

UM ASPETO IMPORTANTE DESTA FERRAMENTA DE COMUNICAÇÃO É A POSSIBILIDADE DE SE TORNAR NUMA BASE SÓLIDA DE COMPARAÇÃO DE PRODUTOS E SERVIÇOS ATRAVÉS DO DESEMPENHO AMBIENTAL DEMONSTRADO.

AS DAP SÃO REALIZADAS SEGUNDO REQUISITOS DAS NORMALIZAÇÕES EUROPEIAS QUE REFLETEM AS EXIGÊNCIAS DOS MERCADOS. RELATIVAMENTE AO MERCADO DOS PRODUTOS DE CONSTRUÇÃO E SEGUNDO O REGULAMENTO (UE) N.305/2011 DO PARLAMENTO EUROPEU, CONSIDERA-SE IMPORTANTE QUE NA AVALIAÇÃO DO DESEMPENHO DE UM PRODUTO DE CONSTRUÇÃO, SE DEVE TER EM CONTA OS ASPETOS DE SAÚDE E DE SEGURANÇA RELACIONADOS COM A UTILIZAÇÃO DESTES PRODUTOS DURANTE TODO O SEU CICLO DE VIDA. NESTE MESMO REGULAMENTO REFERE-SE QUE PARA A AVALIAÇÃO DA UTILIZAÇÃO SUSTENTÁVEL DOS RECURSOS E DO IMPACTO DAS OBRAS DE CONSTRUÇÃO NO AMBIENTE, DEVERÃO SER UTILIZADAS DECLARAÇÕES AMBIENTAIS DE PRODUTOS. ESTAS SÃO CONSIDERAÇÕES IMPORTANTES QUE DETERMINAM A IMPORTÂNCIA QUE AS DAP REPRESENTAM PARA O PODER DE INTERNACIONALIZAÇÃO DAS EMPRESAS.
